"The supplies of mummy sold to apothecaries in Europe were first obtained from genuine Egyptian mummies, but when it became difficult to procure these, spurious substitutes were made from recently dead bodies which were medicated by the purveyors. Desiccated bodies from North Africa, and Guanche mummies from the Canary Islands, were also exported to Europe and sold to the apothecaries."

Revelations 21:1 & 22:1-2

“And I saw a new heaven and a new earth: for the first heaven and the first earth had passed away; and there was no more sea.

Then the angel showed me the river of the water of life, bright as crystal, flowing from the throne of God...also, on either side of the river, the tree of life with its twelve kinds of fruit, yielding its fruit each month. The leaves of the tree were for the healing of the nations.”
